

STUDENT HOMESTAY REGISTRATION

Living with a Canadian family is an excellent way to improve your English. It also provides an excellent opportunity to experience Canadian culture first hand. Homestays can be for international or domestic students. Other living arrangements such as roommate situations and suites may be available through Lethbridge Homestay Services.

*Being **Canadian** means many things. A Canadian family may have ethnic roots anywhere in the world and may have immigrated to Canada in their own, their parent's or their grandparent's generation. We ask that the English spoken in their home be at a level that they can assist you in also learning the language.*

- ✓ Homestays are generally **NOT** within walking distance of the University or College but located near access to public transit. Almost all students **must** take Lethbridge Transit. Lethbridge Homestay attempts to place University students on the west and south sides of Lethbridge and College students on the south and north sides of the city. A good match with the family is the first consideration. Lethbridge is a city that is spread over an area that is not easy to walk. You will not be moved for being "too far" from your school.
- ✓ The 'monthly' fee for room and board is \$650. *(Partial months will be charged at \$25 per night)*
- ✓ Families charge a refundable deposit equal to the first month rent. This is refunded when you move out provided everything is in order. The deposit is refunded in the same manner it was paid. There is a fee of \$210 *(including taxes)* charged for each placement.
- ✓ The total amount to obtain a homestay is \$810 to Lethbridge Homestay Services. Your homestay fees of \$650 per month are paid to your homestay family on the **FIRST** day you arrive and the **FIRST** day of each month thereafter.
- ✓ The placement fee includes pick up at the airport or bus depot when you arrive in Lethbridge.
- ✓ Your homestay family will accept you several days before classes begin. Earlier arrival should be arranged between you and your host family. You are expected to stay with your host family for your full stay.
- ✓ Please keep in mind that many Canadian families have small pets. Unless you have an allergy to animals, you may be giving up an opportunity to live with a wonderful family that does have a pet.

Lethbridge Homestay Services holds your deposit. Should your host family prove inappropriate after a trial period, we will try to find alternative accommodations. You may be moved once at no additional charge providing your reasons are valid and are not because of distance from your school. You will likely need to take Lethbridge Transit from anywhere you live in Lethbridge. Unless an emergency situation or your move is deemed necessary, you must give your host family one month notice before moving out, or you will not receive the deposit back.

If you would like to take advantage of the homestay option, please complete the Homestay Registration form and return it to homestay@lethbridgeconcierge.com Your \$600 deposit + \$210 placement fee may be paid by Mastercard or Visa deposit or by cheque. Please include a photo of yourself and a letter of introduction for your host family.
